

WALKING CREW

"Quality, cost effective, after school child care!"

Take advantage of our award-winning after school program for K-8th grades with a proven 25-year track record of excellent age-appropriate recreational programming. Experienced Parks and Recreation staff will walk your child** from their school to the designated local park site where they will be supervised until 5:30 p.m. The program provides homework assistance, character-building recreational activities and nutritious snacks.
