PROMOTIONAL ADVERTISING STANDARDS

Promotional signs are regulated by the Municipal Code Section 18.46.040(F) & 18.46.060 Note 8. Enclosed is a summary of regulations regarding promotional signs.

BANNERS, PENNANTS

- Banners shall be mounted flush against the building's facade and shall not be affixed to a vehicle, tree, ground, pole, etc.
- Tenants in a commercial center must place promotional advertising within the store front area in which the signage is intended to serve.
- Requires a separate Promotional Advertising Permit from promotional flags.

FLAGS

- Maximum **one** flag per business/permittee to be placed minimum 5' from property lines, 10' from driveways, and 50'-100' as determined by staff, from other promotional flags.
- 7-day display period shall encompass a federal or state holiday or Valentine's Day, Easter, Mother's Day, Father's Day, Halloween, grand opening or graduation day, or special event approved by Zoning Administrator.
- Shall be securely fastened to resist displacement by wind of similar disturbances.
- Shall not be attached to nor a part of any building, structure, or landscape.
- **A separate Promotional Advertising Permit is required for banners and pennants.**
- Display days shall be deducted from the cumulative display days permitted within a calendar year, even when posted concurrently with banner and/or pennants.

GENERAL REGULATIONS

- All promotional signs shall be of professional quality.
- Promotional signs shall not block existing permanent signage.
- The \$100 deposit will be refunded provided that all promotional signs are removed from the premises. **A deduction of 10% is to be withheld for each day that exceeds the expiration date of the promotional advertising permit.**
- Prior to releasing the deposit, a field site inspection will be conducted to verify removal of all promotional signs.
- Promotional Advertising must be proportional to existing building identification sign and overall store frontage subject to review, approval and/or conditional approval by zoning administrator.
- Consecutive permit issuance will not be granted. An additional permit will not be issued until a minimum of seven days have passed from ending date of the last grant.
- The cumulative display days issued to the same business, permittee, or location during any one calendar year shall not exceed 150 days.
- Rotating or revolving signs, all roof-mounted signs, any type of balloon signs, air dancers, and any blow-up advertising is prohibited.
- **New Business:** The application fee for a new business shall be waived for the initial promotional advertising banner and pennant permit and/or promotional flag permit within the first 30 days of business operations. Deposit is required for each application.
