

WHAT IS THE STAR UNIT?

The Success Through Awareness & Resistance (STAR) Program is a unique drug and gang prevention program which partners deputies from the Los Angeles County Sheriff's Department, school districts, schools, municipalities, teachers and parents throughout Los Angeles County.

Deputies work predominantly with students in the 4th through 8th grades, in 133 schools, within 34 school districts, in 14 contract cities.

STAR Deputies work with students both inside and outside the classroom, during recess and lunch, in after-school programs, and at summer camps.

TOO GOOD FOR DRUGS AND TOO GOOD FOR VIOLENCE are two of the curricula utilized in the program.

Parent Education Meetings are being held throughout Los Angeles County by all of our STAR Deputies. The meetings are available to all parents in order to educate them on: Bullying, Internet Safety, Traffic Safety, Drugs, Drug Use Warning Signs, Violence and how to be more effective and aware parents.
