

The City of Pico Rivera Invites you to a Free E-Waste Recycling Event

Saturday
October 12, 2013

9:00 am-1:00 pm

Pico Rivera City Hall
6615 Passons Blvd.
Pico Rivera
CA 90660

Why is it important to recycle E-Waste?

Household electronics are made with various types of heavy metals. When these metals end up in our waste streams it creates a harmful and sometimes toxic mixture with other hazardous waste.

For the Safety of our community and sanitation workers please remember to

RECYCLE!

For more information about this event or other City Environmental programs call 562-801-4389 or mgarcia@pico-rivera.org

The City of Pico Rivera and NASA Services in collaboration with Bimbo Bakeries invite you to a community E-Waste Recycling event!

Bring in all your old electronics for recycling!

Acceptable E-Waste: batteries, fluorescent tubes, computer monitors, printers, televisions, microwaves, electrical cables, phones, and electronic toys.

Not Acceptable E-Waste: Refrigerators, stoves, or other bulky items.
