

## Bulky Item Collection

### There are two ways that residents may dispose of bulky items:

- Annual Bulky Item Collection Week - This event is held each spring. During Bulky Item Collection Week, residents may place an unlimited amount of acceptable items at the curb on the regular day of collection. Acceptable items are listed below. Please contact NASA Services to find out when the next Annual Collection Week will take place by calling 888-888-0388.
- On-Call Bulky Collection - Residents may call for a special bulky item collection to accommodate large items that do not fit into the residential service carts. Residents receive 10 FREE On-Call Bulky Items collections per calendar year, July 1 – June 30. Please review the following information prior to scheduling your Bulky Item collection.

### What Can Be Collected?

- Furniture such as chairs, sofas and mattresses
- Appliances such as refrigerators, ranges, washers and dryers, water heaters, dishwashers and similar plumbing or small appliances
- E-waste such as computers, telephones, televisions, stereo equipment and other electronic devices
- Yard waste such as tree branches, scrap wood or bundles up to 4' long
- Clothing
- Other non-hazardous items
- Pick-up truck or automobile tires
- All items must be able to be moved by two-man crews or they will not be collected
- **Not acceptable items include all hazardous wastes or materials, such as oil, solvents or paints, no construction debris, such as concrete, asphalt, lumber or drywall and no equipment or vehicles.**

### How Do I Schedule a Collection?

- Residents may place up to 4 items per collection. There is a limit of 10\* FREE collections per year, after which a fee will apply. (\*multi-family complexes are allocated, one collection per each unit, per year)
- Residents must call 888-888-0388 to schedule a bulky item collection at least 24-hours prior to their next regular scheduled collection day.
- Items must be placed at the curb no later than 6AM on the day of collection

***Before placing items at the curb, please consider donating all working, usable items to local thrift stores and charities that support our communities and help keep materials out of landfills.***
