Professional Polling/Public Opinion Research Services

Introduction

The City of Pico Rivera (City) is soliciting proposals from qualified firms to research and test the public opinion about a Business License Fee restructuring measure for inclusion in the November 2022 ballot. Per Pico Rivera Municipal Code Sections 05.12.010 and 05.12.020, Business License Fees are collected for the purposes of revenue and nor for regulation and are based on an annual gross receipts tax rate.

As part of the Fiscal Year (FY) 2021-2023 Biennial Budget and the FY 2022-2023 Strategic Plan, the City has identified “exploring revenue enhancements” and “identifying and implementing opportunities for financial efficiency” as key initiatives and strategies to achieve fiscal sustainability.

In alignment with the aforementioned strategies and a commitment to exceptional stewardship of public revenues and resources, the City has initiated a Business License Tax Ordinance/Fee Study. The Study is composed of an examination of current tax register analysis, fee analysis, a comparative study, and modified tax structure options. The goal of the Study is to develop a complete business license structure with the intent to bring the proposed business license fee restructure to the voters on the November 2022 ballot.

Professional Polling/Public Opinion Research Services are therefore necessary to conduct a public opinion survey, assess the general sentiment for such an initiative, evaluate the probability of voter approval of a restructured Business License Fee ballot measure, and present data to provide guidance on strategies for placing a Business License Fee restructuring measure on the ballot as detailed in this RFP.

If your firm is interested in responding to this Request for Proposals (RFP), please read the RFP carefully and fully respond to each question.

3. Project Area Overview

The City of Pico Rivera is located approximately eleven (11) miles southeast of downtown Los Angeles, on the eastern edge of the Los Angeles Basin, and on the southern edge of the San Gabriel Valley. The towns of Pico and Rivera, from which the City of Pico Rivera originated, were incorporated as one municipality and as a general law city on January 29, 1958. The City is bounded on the north by South El Monte, on the east by portions of City of Industry, unincorporated Los Angeles County, and Whittier, on the west by Montebello, and on the south by Downey. The City has a total land area of approximately 8.3 square miles. The City is generally bound by Whittier Narrows Dam on the north, San Gabriel River on the east, Telegraph Road on the south and the Rio Hondo Channel on the west. Rosemead Boulevard (State Highway 19) runs north-south through the middle of the City. Whittier Boulevard (State Highway 72) runs east-west through the City.

As a general law city, Pico Rivera operates under the Council-Manager form of government whereby the City Council provides policy direction to a City Manager that is appointed by the City Council. As the City’s chief administrator, the City Manager is responsible for overseeing City employees who implement all of the City’s programs, services, and projects. Five City Council members are elected, at large, for staggered four-year terms. The council members select two of the members to serve as Mayor and Mayor Pro Tem.

The City provides a full range of municipal services including water, electricity, construction and maintenance of roads, planning and zoning, recreation and cultural activities, and general administrative support such as overall agency management, procurement of goods and services, recruitment, risk management, budget preparation, and accounting.

The City contracts for certain municipal services with other public agencies; these include the Los Angeles County Sheriff’s Department for law enforcement service, the Los Angeles County Fire Department for fire protection and paramedic emergency services, and the Los Angeles County Library System to operate its two community libraries.
