Diversity in architecture and landscaping can enhance community character and make the built environment more interesting.

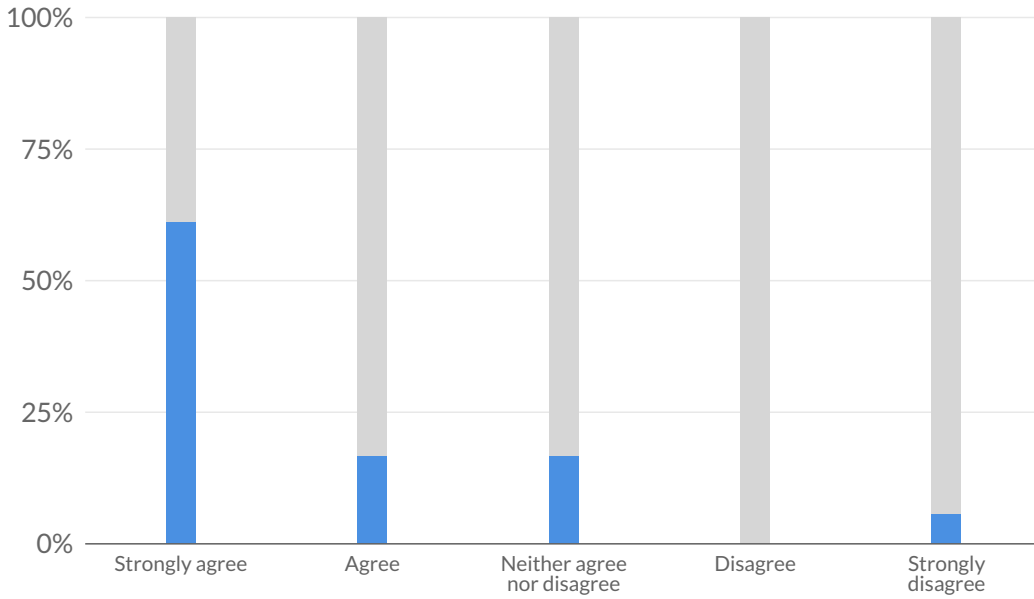

More housing types are needed to accommodate a wide range of incomes and living situations.

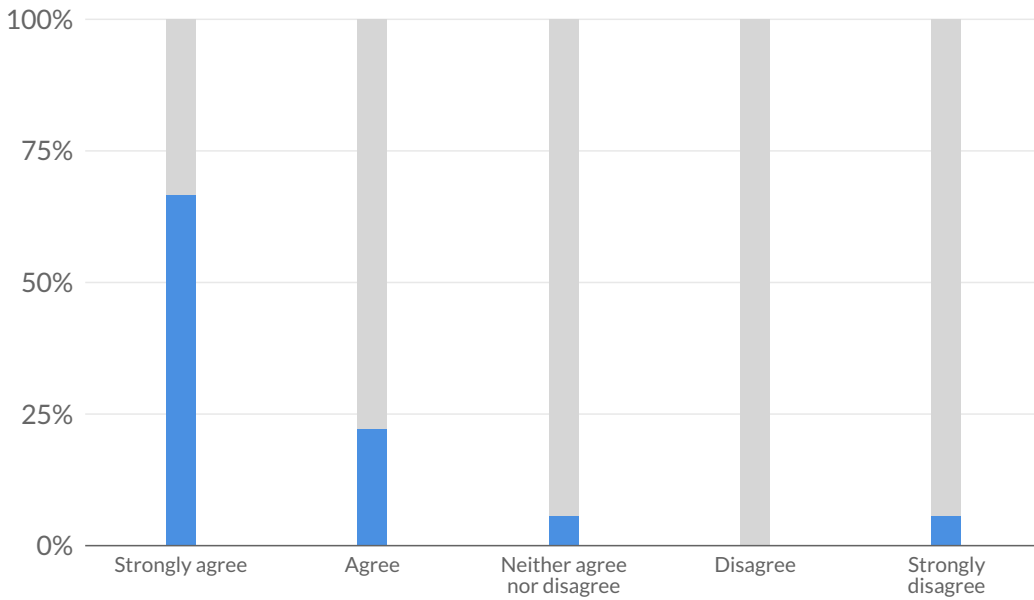

Any new development and infrastructure should contribute to a more sustainable and resilient environment.

Parking supply could be better managed to improve availability.

Technology and innovation should be integrated where possible to ensure a safer, smarter, more effective, and more efficient community.

What are your top three priorities for the future of Whittier Boulevard and Durfee Avenue? (describe in 20 words or less)
