- Exact exterior dimensions of all existing structures
- Exact exterior dimensions of proposed addition

Community Development Department - Planning Division - (562) 801-4332

A large rectangular area filled with a fine grid of small squares, intended for drawing a plot plan. The grid is composed of small squares, each representing a specific area according to the suggested scale.

Suggested Scale: One square = 2 square feet

I hereby state that this Plot Plan and the dimensions shown are correct.
