CR-05 - Goals and Outcomes

Progress the jurisdiction has made in carrying out its strategic plan and its action plan.

91.520(a)

The purpose of the Consolidated Annual Performance and Evaluation Report (CAPER) is to assist residents of the City of Pico Rivera and the U.S. Department of Housing and Urban Development (HUD) in assessing the City's use of federal grant funds to meet the priority needs identified in the City's 2020-2025 Consolidated Plan. The enclosed CAPER focuses on the annual goals and accomplishments for the period of July 1, 2022, through June 30, 2023.

Comparison of the proposed versus actual outcomes for each outcome measure submitted with the consolidated plan and explain, if applicable, why progress was not made toward meeting goals and objectives. 91.520(g)

In FY 2022-2023 the City continued to prioritize public facility and infrastructure improvement projects. The City chose to fund these activities to improve the quality of spaces used by residents.

The City continued its partnership with Habitat for Humanity Los Angeles to make strides towards its Affordable Housing goal. Habitat for Humanity completed three (3) projects at the end of the reporting period. These efforts help sustain affordable housing in the City.

The City partners with the Housing Rights Center to provide fair housing services to its residents. In this reporting period the Housing Rights Center was able to serve 93 Pico Rivera households with their housing issues.

The City allocated some of its public service funds to the Southeast Area Social Services Funding Authority (SASSFA). SASSFA offers congregate nutritional meals to senior citizens residing in the Pico Rivera. The program aims to prevent premature institutionalization for frail older adults over 60 years of age.

Goal	Category	Source / Amount	Indicator	Unit of Measure	Expected – Strategic Plan	Actual – Strategic Plan	Percent Complete	Expected – Program Year	Actual – Program Year	Percent Complete
Administration	Program Administration	CDBG: \$107,435	Other	Other	1	1	100%	1	1	100%
Fair Housing	Fair Housing	CDBG: \$10,500	Public service activities other than Low/Moderate Income Housing Benefit	Persons Assisted	550	317	58%	96	93	97%
Affordable Housing	Affordable Housing	CDBG: \$123,520	Homeowner Housing Rehabilitated	Household Housing Unit	50	10	20%	4	3	75%
Public Facilities and Infrastructure	Non-Housing Community Development	CDBG: \$1,547, 456	Public Facility or Infrastructure Activities other than Low/Moderate Income Housing Benefit	Persons Assisted	5000	1,400	28%	500	1,400	28%
Public Services	Public Services	CDBG: \$44,000	Public service activities other than Low/Moderate Income Housing Benefit	Persons Assisted	2000	1,218	61%	450	378	84%

Table 1 - Accomplishments – Program Year & Strategic Plan to Date

Assess how the jurisdiction’s use of funds, particularly CDBG, addresses the priorities and specific objectives identified in the plan, giving special attention to the highest priority activities identified.

The City's use of funds is based on several factors, including priority needs, Consolidated Plan and Action Plan objectives, and available financial resources. The City Council regularly assesses the community’s highest needs by frequently communicating with residents. They, along with City staff, consider the available resources and desired objectives to be achieved and then allocate funding to agencies that submitted proposals in alignment with the goals and objectives outlined in the City's Consolidated Plan.

CR-10 - Racial and Ethnic composition of families assisted

Describe the families assisted (including the racial and ethnic status of families assisted).

91.520(a)

	CDBG	HOME
White	384	0
Black or African American	3	0
Asian	2	0
American Indian or American Native	1	0
Native Hawaiian or Other Pacific Islander	0	0
Other: Multi Racial	84	0
Total	474	0
Hispanic	401	0
Not Hispanic	73	0

Table 2 – Table of assistance to racial and ethnic populations by source of funds

Narrative

The above racial and ethnic breakdown is for the public service activity (SASSFA) and the Handyworker (Habitat LA) program, and fair housing services via the Housing Rights Center. The breakdown includes:

1. Southeast Area Social Services Funding Authority: provided meals to 378 senior citizens; meals were delivered to participant homes due to the ongoing coronavirus pandemic.
2. Habitat for Humanity Los Angeles: rehabilitated three (3) homes.
3. Housing Rights Center: provides fair housing services to residents to prevent discrimination, provide referrals, investigations, case management, and litigation, and resolve landlord tenant disputes; they served 93 people.

CR-15 - Resources and Investments 91.520(a)

Identify the resources made available

Source of Funds	Source	Resources Made Available	Amount Expended During Program Year
CDBG	public - federal	\$1,714,911	\$1,577,305
HOME	public - federal	0	0

Table 3 - Resources Made Available

Narrative

The City used the CDBG funds for rehabilitation activities, public facility improvements, public services, and planning and administration costs.

Identify the geographic distribution and location of investments

Target Area	Planned Percentage of Allocation	Actual Percentage of Allocation	Narrative Description
City Wide	100	100	
Eligible Census Tracts			

Table 4 – Identify the geographic distribution and location of investments

Narrative

During FY 2022-2023, the City expended about \$1,577,305 on CDBG related activities. Of this total, about \$22,500 was expended on public service activities, with about \$85,220 spent on homeowner rehabilitations, and about \$96,400 was spent on Program Administration expenditures. Additionally, about \$1,373,143 was spent on Capital Improvement Projects.

The City of Pico Rivera received \$822,318 in supplemental CDBG-Coronavirus (CDBG-CV) funds to prepare, prevent, and respond to the Coronavirus pandemic (COVID-19). The City chose to amend its 2019-2020 Annual Action Plan to program their CDBG-CV funds. With these funds, the City funded its Administrative costs, a COVID-19 Testing Center, an Emergency Senior Meal Program, and a Small Business Grant Program. The City has expended \$604,675 of CDBG-CV funds thus far.

Detailed information regarding the expenditure of CDBG funds is provided in the CDBG Financial Summary Report – PR26 (Attachment 3).

Leveraging

Explain how federal funds leveraged additional resources (private, state and local funds), including a description of how matching requirements were satisfied, as well as how any publicly owned land or property located within the jurisdiction that were used to address the needs identified in the plan.

The City does not receive HOME funds; thus, no match is required, and there are no excess matching funds from prior years.

Fiscal Year Summary – HOME Match	
1. Excess match from prior Federal fiscal year	0
2. Match contributed during current Federal fiscal year	0
3. Total match available for current Federal fiscal year (Line 1 plus Line 2)	0
4. Match liability for current Federal fiscal year	0
5. Excess match carried over to next Federal fiscal year (Line 3 minus Line 4)	0

Table 5 – Fiscal Year Summary - HOME Match Report

Table 10 – Relocation and Real Property Acquisition

CR-20 - Affordable Housing 91.520(b)

Evaluation of the jurisdiction's progress in providing affordable housing, including the number and types of families served, the number of extremely low-income, low-income, moderate-income, and middle-income persons served.

	One-Year Goal	Actual
Number of Homeless households to be provided affordable housing units	0	0
Number of Non-Homeless households to be provided affordable housing units	425	89
Number of Special-Needs households to be provided affordable housing units	0	0
Total	425	89

Table 11 – Number of Households

	One-Year Goal	Actual
Number of households supported through Rental Assistance	0	0
Number of households supported through The Production of New Units	0	0
Number of households supported through Rehab of Existing Units	4	3
Number of households supported through Acquisition of Existing Units	0	0
Total	4	3

Table 12 – Number of Households Supported

Discuss the difference between goals and outcomes and problems encountered in meeting these goals.

During the 2022-2023 CDBG Program Year, the City-funded or completed the following activities to assist in meeting its housing goals:

1. Section 8 Rental Assistance Program –89 households supported
2. CDBG Handy Worker Housing Rehabilitation Program – 3 households supported

Other activities undertaken in support of housing objectives include:

- Housing Rights Center Services – 93 households were supported

Through their Fair Housing Services Program, the Housing Rights Center responded to inquiries from Pico Rivera residents regarding discrimination against persons with disabilities; conducted Fair Housing Rights Workshops that included an overview of the fair housing law and protected classes and unlawful practices; and distributed informational brochures regarding various fair housing laws (such as fair housing laws for persons with disabilities and eviction laws, etc.,) that were made available throughout the year at Pico Rivera Senior Centers and City Hall.

Discuss how these outcomes will impact future annual action plans.

Outcomes of the prior 5-year report periods (Action Plans) impact future Annual Action Plans as they assess the City's success in meeting established goals and outcomes.

The City will re-assess areas, projects, or activities where goals were not met. Prioritization of needs will continue to impact future annual Action Plans. The City continues to work closely with departments and nonprofit organizations to encourage input on community needs.

Include the number of extremely low-income, low-income, and moderate-income persons served by each activity where information on income by family size is required to determine the eligibility of the activity.

Number of Households Served	CDBG Actual	HOME Actual
Extremely Low-income	451	0
Low-income	15	0
Moderate-income	7	0
Total	473	0

Table 13 – Number of Households Served

Narrative Information

The City of Pico Rivera is not a direct participating jurisdiction in the HUD HOME program. The numbers in Table 13 reflect the number of low-income persons served by CDBG-funded activities.

During PY 2022-2023, the following three (3) CDBG activities served individuals at the Extremely Low to moderate-income level:

1. Southeast Area Social Services Funding Authority: 378 People
2. Housing Rights Center: 93 people
3. Habitat for Humanity LA – Handyworker Program: 3 People

CR-25 - Homeless and Other Special Needs 91.220(d, e); 91.320(d, e); 91.520(c)

Evaluate the jurisdiction's progress in meeting its specific objectives for reducing and ending homelessness through:

Reaching out to homeless persons (especially unsheltered persons) and assessing their individual needs

During the 2022-2023 reporting period, no CDBG funding was allocated specifically for homeless outreach services. As indicated in the Consolidated Plan, the City did not allocate limited CDBG funds for this purpose since homelessness service/shelter providers that the City funds have well-developed outreach and assessment programs that link unhoused individuals with appropriate services. Those seeking homeless services were referred to one of the local agencies who serve homeless persons. Some of these local agencies (within a 3-mile radius) include Angel Step Inn Domestic Emergency Shelter, Salvation Army, and Women and Children's Crisis Center.

Addressing the emergency shelter and transitional housing needs of homeless persons

The 2022 Homeless Count estimates that Pico Rivera has 166 unsheltered individuals. This reflects a pattern of descending unsheltered homeless populations within the City. The City is an active participant in regional homeless planning efforts including those of the Los Angeles Homeless Services Authority (LAHSA). Through these efforts, the City can coordinate the use of limited CDBG funds to address local homeless needs and contribute to a regional strategy to reduce homelessness.

With limited funds available to address the need for emergency shelters and transitional housing, the City relies on local nonprofit organizations to provide these types of services like The Whole Child, LAHSA, and Jovenes.

Helping low-income individuals and families avoid becoming homeless, especially extremely low-income individuals and families and those who are: likely to become homeless after being discharged from publicly funded institutions and systems of care (such as health care facilities, mental health facilities, foster care and other youth facilities, and corrections programs and institutions); and, receiving assistance from public or private agencies that address housing, health, social services, employment, education, or youth needs

Prevention is a key component for a comprehensive strategy to prevent individuals and families from experiencing homelessness. This is often accomplished by providing temporary monetary assistance, counseling, referrals, and other support services. Although it does not use its CDBG

funds to allocate to specific shelter providers, the City provided services in the form of referrals to agencies which provide case management. For example, families with young children are referred to the Whole Child. Single individuals are referred to Whittier First Day. Persons with a mental health diagnosis are referred to People Assisting the Homeless (PATH), and teens are referred to Jovenes. Additional details on these agencies' services are noted in the following section.

Helping homeless persons (especially chronically homeless individuals and families, families with children, veterans and their families, and unaccompanied youth) make the transition to permanent housing and independent living, including shortening the period of time that individuals and families experience homelessness, facilitating access for homeless individuals and families to affordable housing units, and preventing individuals and families who were recently homeless from becoming homeless again.

The City of Pico Rivera is actively engaged in a range of coordinated efforts and active collaboration among community organizations, the business community, and concerned residents dedicated to overcoming homelessness in the community. The City currently employs a full-time Sheriff's Deputy and a City Homeless Liaison to assist the unsheltered persons in the City. The City of Pico Rivera partners with the following entities:

- **Whittier First Day**- is a local nonprofit organization that provides transitional bridge housing, on-site meals, clothing, 12-step meetings, education, training, employment assistance, transportation, on-site health clinic, health screenings, mental health services, and case management.
- **The Whole Child** – is a local nonprofit organization that provides children, adolescents, and families in the community with affordable, culturally sensitive and professional mental health services. They offer free parenting education in English and Spanish, child abuse prevention, anger management classes, substance abuse help, and counseling for teens.
- **Los Angeles Homeless Services Authority (LAHSA)** - is a joint government agency that is responsible for addressing homelessness, including the Pico Rivera region. LAHSA also operates the County Homeless assistance portal LA-HOP.org, which is an outreach portal designed to allow government agencies and residents to initiate an outreach referral and connect a person experiencing homelessness directly to local services.
- **People Assisting the Homeless (PATH)** – is a lead nonprofit agency assisting single adults experiencing homelessness within the Pico Rivera community. PATH helps people find permanent housing and provides case management, medical and mental healthcare, benefits advocacy, employment training, and other services to people

experiencing homelessness.

- **Jovenes**- assists youth ages 18-25. They provide housing assistance, healthcare, education, employment, and trauma recovery.
- **211 LA**- is a comprehensive informational and referral system linking Los Angeles County residents to community health and human services and support. 211 LA connects hundreds of people every day to shelters, food, low-cost counseling, subsidized childcare, employment services, and a range of services for individual and family self-sufficiency.
- **Pico Rivera Transit Deputy** – serves as a point of contact for people experiencing homelessness throughout the City. The Los Angeles County Transit Deputy provides in-the-field case management, connecting people to shelter, food, showers, and housing. They also serve as the lead on encampment clean-ups and addresses local business concerns related to homelessness.

CR-30 - Public Housing 91.220(h); 91.320(j)

Actions taken to address the needs of public housing

N/A - The City of Pico Rivera does not own or manage public housing.

Actions taken to encourage public housing residents to become more involved in management and participate in homeownership

N/A – The City does not own any public housing.

Actions taken to provide assistance to troubled PHAs

N/A – The City does not own any public housing.

CR-35 - Other Actions 91.220(j)-(k); 91.320(i)-(j)

Actions taken to remove or ameliorate the negative effects of public policies that serve as barriers to affordable housing such as land use controls, tax policies affecting land, zoning ordinances, building codes, fees and charges, growth limitations, and policies affecting the return on residential investment. 91.220 (j); 91.320 (i)

The Consolidated Plan identified several barriers to the provision of affordable housing and outlined a strategy to address the obstacles. As a result, the City has the following policies and practices in place flexibility in housing site planning, allowing for more intense development where appropriate. They include:

- The City's Housing Sites Inventory Program helps ensure that the City continuously monitors appropriate sites for residential use.
- A density floor area ratio (FAR) is used to promote the maximum use of residential land. The FAR establishes the minimum density requirement within a given residential land-use designation. The availability of developable acreage in upper-density ranges allows for the development of certain types of housing.
- Consideration of alternative forms of residential development, including various types of small-lot, single-family subdivisions; mobile home parks that allow owner-occupied spaces; senior citizen multifamily housing developments offering different degrees of care and assistance; mixed-use residential, office, and commercial developments; and planned unit developments.
- Developers are encouraged to pursue projects that provide low- and moderate-income housing. The City has a Density Bonus Ordinance, which encourages developers interested in additional density to develop a portion of their market-rate project as affordable to low- and moderate-income households.

Actions taken to address obstacles to meeting underserved needs. 91.220(k); 91.320(j)

The City partners with local non-profits that provide services to Pico Rivera residents to meet as many basic needs as possible, as noted in section CR-25.

Additionally, for the 2022-2023 report period, the Housing Authority reports that 82 lower-income households received Section 8 rental assistance.

Actions taken to reduce lead-based paint hazards. 91.220(k); 91.320(j)

Approximately 90 percent of the City's housing stock was constructed before 1980, which increases the probability of lead-based paint on the housing unit. The City partners with the Los

Angeles County Public Health Department, which provides lead poisoning education and abatement efforts in Pico Rivera.

The abatement of lead-based hazards is vital to the City's Housing Rehabilitation Program. All housing units constructed prior to 1978 that receive rehabilitation assistance are assessed for lead-based paint. If identified, lead-based paint hazards and abatement are conducted by licensed contractors. In addition, the City ensures that "Safe Work Practices" address lead-based paint hazards by documenting these processes in its Residential Rehabilitation Program Policies and Procedures and requiring their adherence.

Actions taken to reduce the number of poverty-level families. 91.220(k); 91.320(j)

According to the U.S. Census Bureau, approximately 10% of Pico Rivera residents live in poverty; this is three percent points lower than the previous reporting period. More specifically, 19.8% of children aged 18 and younger, and 11.5% of adults aged 65 and older, live in poverty. Therefore, the 2022-2023 Annual Action Plan listed several activities the City would undertake to combat poverty:

Continue to provide resources to address homelessness in the community;

- Preserve affordable housing options for residents, including housing rehabilitation assistance and federal rental assistance via Housing Choice Voucher and Certificates administered by the Pico Rivera Housing Authority;
- Provide public services to assist lower-income seniors and households in improving their quality of life;
- Provide economic opportunities for lower income residents through the Commercial Façade Loan Program. This assistance will help revitalize targeted commercial areas to improve and sustain economic vitality.

Actions taken to develop institutional structure. 91.220(k); 91.320(j)

The City of Pico Rivera works closely with other housing-related organizations and service providers in the County to ensure that the network of providers addresses the housing needs of City residents. These agencies include the Pico Rivera Housing Assistance Agency, Habitat for Humanity, California Department of Housing and Community Development, and California Housing Partnership, and Southern California Association of Governments.

The City's Economic & Community Development Department worked in conjunction with the Housing Authority to ensure quality housing for low-income City residents. The working relationship between these organizations is strong. Due to the City's relatively small size, communication is typically direct and immediate. As a result, program or service delivery gaps

are generally not the result of poor institutional structure or lack of intergovernmental cooperation but rather due to shortcomings in available resources.

Actions taken to enhance coordination between public and private housing and social service agencies. 91.220(k); 91.320(j)

The City's Economic and Community Development Department works closely with the Housing Authority. Additionally, the City participates in the regional Continuum of Care (CoC) planning process that LAHSA spearheads. The annual CDBG and City-funded social service grant allocation process provide an opportunity for the City to build strong working relationships with local service providers. Notices of funding availability are published to invite agencies to apply for funding and the opportunity to provide housing and social services to residents of Pico Rivera. Partnering with local service providers enhances the coordination of services to utilize limited resources more efficiently and effectively and to serve the City's residents better.

Identify actions taken to overcome the effects of any impediments identified in the jurisdictions analysis of impediments to fair housing choice. 91.520(a)

HUD regulations require that the City prepare an Analysis of Impediments to Fair Housing choice (AI) every five years. In 2020 the City updated its AI; it includes the City's Fair Housing Action Plan, which outlines the City's actions to eliminate and ameliorate impediments to fair housing issues and choice. As part of its Fair Housing Action Plan, the City identified the following goals:

- Create a healthy neighborhood
- Improve school proficiency
- Meet the housing need of people with disabilities
- Reduce disproportionate housing needs
- Increase and accelerate housing production
- Locate new housing in neighborhoods with the best resources

Actions identified to meet these goals include:

- Collaborate with State and Regional Agencies such as the California Air Resources Board, South Coast Air Quality Management District, Southern California Association of Governments, and the Gateway Cities Council of Governments
- Adoption and ongoing implementation of the General Plan Environmental Resources Element, which is intended to contribute to achieving environmentally healthy neighborhoods.
- Implement the 2021-2029 Housing Element, which will contain a plan to produce new housing, accelerate housing production, address the housing needs of people

with disabilities, and adopt Zoning Ordinance Amendments to facilitate the development of supportive housing needs. It will also include programs to remove governmental constraints on housing production and incentives to promote the development of Accessory Dwelling Units (ADUs).

- The City's Building and Safety Division will ensure that new construction adheres to the accessibility standards of the Americans with Disabilities Act (ADA), Disabled Access Code, federal Fair Housing Act, and all other requirements of the California law.
- Continue and increase, if possible, the number of households who receive Section 8 rental assistance.
- Partner with affordable housing developers to seek funding from the Low-Income Housing Tax Credit Program, Affordable Housing and Sustainable Communities Program, and other funding sources.

CR-40 - Monitoring 91.220 and 91.230

Describe the standards and procedures used to monitor activities carried out in furtherance of the plan and used to ensure long-term compliance with requirements of the programs involved, including minority business outreach and the comprehensive planning requirements.

The City's on-site monitoring program has been designed to provide program staff with information to verify the accuracy of data provided by subrecipients, ensure that subrecipients are carrying out individual activities as described in their contracts, and to ensure subrecipients use that appropriate accounting and record keeping methods as it relates to the use of CDBG funds. During the fiscal year, subrecipients submitted quarterly accomplishment reports, including documentation to support CDBG reimbursement requests. Program staff also worked closely with other City departments to ensure CDBG program regulations and other federal requirements were implemented.

The City has made every effort to comply with all CDBG and Consolidated Plan regulations. The City's Citizen Participation Plan ensures that community input is considered prior to the submission of a substantial amendment or an annual update to HUD. It also ensures residents can review and comment on annual performance. Construction, professional services, and subrecipient agreements have been prepared to ensure compliance with applicable federal regulations. Additionally, the City has implemented an open procurement process that encourages bidding from minority and female-owned businesses.

Citizen Participation Plan 91.105(d); 91.115(d)

Describe the efforts to provide citizens with reasonable notice and an opportunity to comment on performance reports.

The City has ensured that it has complied with its HUD-approved Citizen Participation Plan. This plan ensures that the City provides the public with sufficient notice and opportunities to review and comment on actions affecting the CAPER.

The City published a Notice of Public Hearing and a 15-day comment period to receive comments on the CAPER in the Los Cerritos Community Newspaper on August 25, 2023. To ensure that all City residents had the opportunity to make comments, the Notice included the date and time of the hearing, availability of the CAPER for review, the timeframe of the comment period, and details on how to submit their comment(s). The comment period commenced on August 25, 2023, and ended on September 12, 2023; the public hearing was held on September 12, 2023. See Attachment 3 - copy of Notice and summary of comments.

CR-45 - CDBG 91.520(c)

Specify the nature of, and reasons for, any changes in the jurisdiction's program objectives and indications of how the jurisdiction would change its programs as a result of its experiences.

In 2022-2023 the City made one substantial amendment to its Annual Action Plan. As part of that substantial amendment, the City allocated previously unencumbered funds to its City Hall ADA Restrooms, Elevators, & Ramps Construction. The City also made a minor amendment later in the year adding additional funds to the project due; the amount of funding added did not trigger a substantial amendment.

Does this Jurisdiction have any open Brownfields Economic Development Initiative (BEDI) grants?

No, it does not.

[BEDI grantees] Describe accomplishments and program outcomes during the last year.

Not applicable.

CR-50 - HOME 24 CFR 91.520(d)

Include the results of on-site inspections of affordable rental housing assisted under the program to determine compliance with housing codes and other applicable regulations

Please list those projects that should have been inspected on-site this program year based upon the schedule in 24 CFR §92.504(d). Indicate which of these were inspected and a summary of issues that were detected during the inspection. For those that were not inspected, please indicate the reason and how you will remedy the situation.

The City is not a HOME Program Participating Jurisdiction. Should the City become a HOME Program Participating Jurisdiction during this 5-year plan cycle, the City will comply with the federal requirements.

Provide an assessment of the jurisdiction's affirmative marketing actions for HOME units. 24 CFR 91.520(e) and 24 CFR 92.351(a)

N/A: Not applicable as the City does not receive HOME funds.

Refer to IDIS reports to describe the amount and use of program income for projects, including the number of projects and owner and tenant characteristics

Not applicable.

Describe other actions taken to foster and maintain affordable housing. 24 CFR 91.220(k) (STATES ONLY: Including the coordination of LIHTC with the development of affordable housing). 24 CFR 91.320(j)

Not applicable.

CR-58 – Section 3

Identify the number of individuals assisted and the types of assistance provided

Total Labor Hours	CDBG
Total Number of Activities	2
Total Labor Hours	898
Total Section 3 Worker Hours	8
Total Targeted Section 3 Worker Hours	0

Table 14 – Total Labor Hours

Qualitative Efforts - Number of Activities by Program	CDBG
Outreach efforts to generate job applicants who are Public Housing Targeted Workers	
Outreach efforts to generate job applicants who are Other Funding Targeted Workers.	1
Direct, on-the job training (including apprenticeships).	1
Indirect training such as arranging for, contracting for, or paying tuition for, off-site training.	
Technical assistance to help Section 3 workers compete for jobs (e.g., resume assistance, coaching).	
Outreach efforts to identify and secure bids from Section 3 business concerns.	
Technical assistance to help Section 3 business concerns understand and bid on contracts.	
Division of contracts into smaller jobs to facilitate participation by Section 3 business concerns.	
Provided or connected residents with assistance in seeking employment including: drafting resumes, preparing for interviews, finding job opportunities, connecting residents to job placement services.	
Held one or more job fairs.	
Provided or connected residents with supportive services that can provide direct services or referrals.	
Provided or connected residents with supportive services that provide one or more of the following: work readiness health screenings, interview clothing, uniforms, test fees, transportation.	
Assisted residents with finding childcare.	

Assisted residents to apply for or attend community college or a four year educational institution.	
Assisted residents to apply for or attend vocational/technical training.	
Assisted residents to obtain financial literacy training and/or coaching.	
Bonding assistance, guaranties, or other efforts to support viable bids from Section 3 business concerns.	
Provided or connected residents with training on computer use or online technologies.	
Promoting the use of a business registry designed to create opportunities for disadvantaged and small businesses.	
Outreach, engagement, or referrals with the state one-stop system, as designed in Section 121(e)(2) of the Workforce Innovation and Opportunity Act.	
Other.
