Bill Text 10/09/21 - Chaptered

Legislative Counsel's Digest

Approved by Governor October 09, 2021.

Filed with Secretary of State October 09, 2021.

SB 268, Archuleta.

Parks and recreation: Lower Los Angeles River Recreation and Park District: Lower San Gabriel River Recreation and Park District: establishment: board of directors.

(1) Existing law authorizes the establishment of the Lower Los Angeles River Recreation and Park District by petition or resolution submitted to the Los Angeles County Local Agency Formation Commission before January 1, 2021. Existing law authorizes 10 specified city councils to each appoint one member, and the Los Angeles County Board of Supervisors to appoint 2 members, to serve at the pleasure of the appointing entity on the initial board of directors of the district. Existing law authorizes the city councils of the Cities of Commerce, Downey, Montebello, and Pico Rivera to jointly appoint one member to serve a 2-year term on the initial board of directors of the district.

This bill would authorize the city councils of the Cities of Commerce, Downey, Montebello, and Pico Rivera to each appoint one member to serve at the pleasure of the appointing city council on the initial board of directors of the district, rather than to jointly appoint one member to serve a 2-year term. The bill would authorize the Los Angeles County Board of Supervisors to appoint 3 members, rather than 2 members, to serve on the initial board of directors of the district.

(2) Existing law authorizes the establishment of the Lower San Gabriel River Recreation and Park District by petition or resolution submitted to the Los Angeles County Local Agency Formation Commission before January 1, 2020. Existing law authorizes specified city councils, including the city council of the City of Montebello, and the Los Angeles County Board of Supervisors to appoint members to serve on the initial board of directors of the district. Under existing law, a violation of any rule, regulation, or ordinance adopted by the board of directors of a recreation and park district is a crime.

This bill would extend the deadline to submit the petition or resolution establishing the district from January 1, 2020, to January 1, 2024. The bill would remove the authorization for the city council of the City of Montebello to appoint a member to the district's initial board of directors and would authorize the Los Angeles County Board of Supervisors to appoint one additional public member to the initial board of directors. The bill would also make various nonsubstantive changes.

Because a violation of a rule, regulation, or ordinance adopted by the board of directors of the district would be a crime, this bill would impose a state-mandated local program by extending the deadline by which the district may be established.

(3) This bill would make legislative findings and declarations as to the necessity of a special statute for the Lower Los Angeles River Recreation and Park District and the Lower San Gabriel River Recreation and Park District.

(4) The California Constitution requires the state to reimburse local agencies and school districts for certain costs mandated by the state. Statutory provisions establish procedures for making that reimbursement.

This bill would provide that no reimbursement is required by this act for a specified reason.

(e) A person appointed to the board of directors pursuant to subdivision

(a) or (b) shall serve at the pleasure of the city council or county board of supervisors that made the appointment.

SEC. 4. Section 5796.20 of the Public Resources Code is amended to read:

<p></p>

5796.20. (a) In addition to the powers enumerated in Article 7 (commencing with Section 5786), which shall be subject to review and approval by the Los Angeles County Local Agency Formation Commission upon formation, change of organization, or reorganization under the Cortese-Knox-Hertzberg Local Government Reorganization Act of 2000 (Division 3 (commencing with Section 56000) of Title 5 of the Government Code), and to the financing authority provided by Article 9 (commencing with Section 5788), Article 10 (commencing with Section 5789), and Article 11 (commencing with Section 5790), the district shall do all of the following:

(1) Promote the development of open space and parks along the Lower San Gabriel River.

(2) Identify funding and resources to promote the revitalization of the Lower San Gabriel River and open spaces along the river for the benefit and enjoyment of local communities.

(3) Acquire, construct, improve, maintain, and operate parks and open space along the Lower San Gabriel River.

(b) The district shall conduct the activities specified in paragraphs (1) to (3), inclusive, of subdivision (a) in coordination with the San Gabriel and Lower Los Angeles Rivers and Mountains Conservancy established pursuant to Division 22.8 (commencing with Section 32600), which has certain responsibilities regarding the Lower San Gabriel River.

SEC. 5. The Legislature finds and declares that a special statute is necessary and that a general statute cannot be made applicable within the meaning of Section 16 of Article IV of the California Constitution because of the urgent need for local park space along the Lower Los Angeles River and the Lower San Gabriel River, and the communities through which these rivers pass.

SEC. 6. No reimbursement is required by this act pursuant to Section 6 of Article XIII B of the California Constitution because the only costs that may be incurred by a local agency or school district will be incurred because this act creates a new crime or infraction, eliminates a crime or infraction, or changes the penalty for a crime or infraction, within the meaning of Section 17556 of the Government Code, or changes the definition of a crime within the meaning of Section 6 of Article XIII B of the California Constitution.
