City of Pico Rivera Filming Rules and Regulations

The City of Pico Rivera requires a film permit for the production of motion pictures, television shows, commercials, and commercial still photography. Charitable and student films must obtain a temporary use permit, reimburse the City for the cost of personnel and equipment but are exempt from permit and deposit fees, and requires the subject property owner be responsible for maintaining the site free of debris and trash. Charitable film productions will require proof of non-profit status. Student film productions will require written confirmation of their status from the educational institution where enrolled.

A film permit is not required for news media, the recording of visual images (motion or still photography) solely for private personal use, and for commercial use of still photography for the production of advertisements completed at the business being advertised, provided that all filming activities take place on private property and result in no impairment of the public's use of public right-of-ways and facilities.

General Information

Application Submittal: Applications for Simple Film Shoots must be submitted a minimum of five (5) working days from the date filming is to occur. Applications for Complex Film Shoots, those that involve traffic control, street closures, special effects, pyrotechnics, gun fire, etc., must be submitted a minimum of ten (10) working days. Working days are defined as days that City Hall is open. The City will make its best efforts to issue Film Permits within three (3) working days from complete film permit application submittal.

Fees:

Simple Film Shoot: ▪Application Fee: \$350 ▪ Processing Fee: \$100/day ▪Public Facility Use Fee: \$100/day
Complex Film Shoot: ▪Application Fee: \$700 ▪Processing Fee: \$200/day ▪Public Facility Use Fee: \$200/day

Fees and/or deposits required by departments/agencies that encumber costs servicing the production activities are required to be provided by the applicant prior to the issuance of the permit. Use of any City owned equipment, property, or signs may be an additional charge. The applicant shall also be responsible for covering any unforeseen costs and will be contacted by the City if such an event were to arise.

Insurance Requirements:

- Liability Insurance is required prior to issuance of a permit. The applicant must provide an original Certificate of Insurance of at least \$1 million, **and an original Endorsement** naming the City of Pico Rivera, its officials, its employees and agents as additional insured. It will include the event, dates, and location on the Certificate of Insurance and Endorsement.
- Worker's Compensation Insurance must conform to all applicable federal and State requirements for Workers' Compensation Insurance for all persons operating under a permit.

Hold Harmless Agreement: Applicants are required to execute a City provided hold harmless agreement before being issued a permit. The hold harmless agreement is located on the third page of the Film Permit Application.

Faithful Performance Bond or Deposit: To ensure cleanup, restoration, payment of fee/charges for City provided services and protection against possible damage to City property, the applicant may be required to post a refundable faithful performance bond or deposit in an amount determined by the Finance Director. If a bond is submitted, it must be acquired from a local bonding company. The bond or deposit will be returned to the applicant within four weeks upon completion of filming and site inspection by the City.

Building Division: Items such as temporary canopies/structures and generators may require review and issuance of permits from the Building & Safety Division. If building permits are required, the contractor(s) the permit(s) are issued to must obtain a business license. Accessibility and means of egress to any on-site handicap parking must be free from filming and construction items/debris, unless otherwise approved. Applicant shall request inspections at least 24 hours prior to operating. City Hall is closed alternating Fridays. Please plan accordingly.

Public Works Department: The City's Public Works Dept. will review traffic impacts on a case-by-case basis and may require mitigation measures (See **Traffic Control**).

L.A. County Sheriff's Department - Film Desk: Applicant to contact Sheriff's Dept. Film Desk, if officers are requested to be on location by the Dept. Fees will be charged at the prescribed rate for police personnel.

*City Law Enforcement Rates are established each FY and published by the L.A. County Auditor-Controller.

L.A. County Fire Department-Public Safety & Film Unit: Applicant to contact Fire Dept. Film Unit for on location safety personnel requirements and attach Fire approval, clearance and or permits to application. No pyrotechnics, no hazardous materials, no open flame, or no vehicles inside a structure shall be used without a permit from the L.A. County Fire Dept. Fees will be charged at the prescribed rate for fire personnel when presence is required at the site.

L.A. County Public Health Dept-Environmental Health: Mobile Food Facilities, Catering to the Film Site by non-Motion Picture Catering Vehicles and Motion Picture Catering Vehicles are required to have an active and up-to-date Public Health Permit and shall not be permitted to operate within Pico Rivera without such permit.

Conditions of Approval: The City may add additional conditions of approval in addition to these rules and guidelines when deemed necessary and will provide such conditions to the permittee in writing.

Unique Filming Locations:

- **Pico Rivera Sports Arena:** Modeled in the style of a Mexican “Rancho de Charro” rodeo ring, the Pico Rivera Sports Arena is believed to be the largest facility of its kind outside of Mexico and has played host to concerts, music/dance festivals and sports events. To film at the Sports Arena contact Paulo Toxqui, Office Manager, for leasing information. A City permit is required.
- **Riverbeds:** The City of Pico Rivera sits between the Rio Hondo and the San Gabriel Rivers. To film within the riverbeds the appropriate permits from the L.A. County Flood Control District must be obtained. The riverbeds must be vacated when a permit indicates due to water release. When filming on flood control property, the agency must be named as an additional insured. Applicant to contact Film L.A., Inc. to obtain permit. Copies of permits are required to be provided to the City of Pico Rivera Finance Department, Revenue Division.

General Guidelines

Filming Hours: Hours of operation limited to 7 a.m. to 10 p.m. To film before 7 a.m. or after 10 p.m. applicant must provide at least one of the following upon application submittal:

- A “No Foreseeable Impact Statement” signed by the applicant. Not applicable to applications that include special effects, pyrotechnics, gun fire, noise impacts, etc.
OR
- At least 80% of resident and business signatures within 200-feet of the filming location and vehicle parking associated with filming activity (See **Surveys**).

Site Plan & Parking Plan: Site plans are to be drawn specifying location, areas filming is to occur, dimensions and setback distances to adjacent buildings and property lines, location of equipment/vehicles, location of existing parking, proposed cast/crew parking and driveway aisles. Site and parking plans should be as detailed as possible to ensure a timely review process. Plans may be combined, if clear and legible. (See **Parking**).

Notifications: All residents and businesses within a 200-foot radius of filming activity and vehicle parking associated with filming activity must receive notice of filming dates, times, location address and production company contact at least 72 hours prior to the arrival of any vehicles and/or start of filming. Applicant must use the attached “Notification of Filming Activities” template. Upon film permit submittal applicant is required to provide a written affidavit verifying that a written notice was mailed under required parameters and a copy of the notification letter.

Surveys: At least 80% of resident and merchant signatures within 200-feet of the filming location and vehicle parking associated with filming activity shall be required under the following circumstances:

- Filming activities occur before 7 a.m. and/or after 10 p.m., unless a “No Foreseeable Impact Statement” is signed and submitted by the applicant.
- Filming activities involve noise levels exceeding 65 decibels as measured from nearest residential property line or activities that may cause public alarm, such as pyrotechnics, street closures, traffic impacts, gunfire, etc.

Upon film permit submittal applicant is required to provide approval signatures or “No Foreseeable Impact Statement”.

Note: In cases of large scale special effects, as determined by the Finance Director, the City may require surveys of residents and merchants beyond a 200-foot radius from the subject filming and associated activities.

Noise: Noise level to be minimal so as not to disturb neighboring properties and businesses (See **Surveys**).

Lighting: On-site lighting, if proposed, is not to spill onto neighboring properties and businesses.

Parking:

- **Parking Plan:** Street parking in residential areas is not permitted, except a limited number of equipment vehicles used to produce the film may be parked at the site in accordance with a parking plan approved by the Public Works Department. No film permits will be issued without the approval of a parking plan.
- **No Parking Signs:** When the posting of "No Parking" signs is required, the procurement and posting of signs shall be the responsibility of the production company. Signs to be approved by Public Works prior to posting. For compliance with California Vehicle Code regulations, all postings must occur at least 24 hours prior to the start of the no parking period. Sign must indicate the dates and time the temporary "No Parking" is in effect.
- **Municipal Parking Lots:** When parking in a municipal parking lot, an applicant may be billed according to the current rate schedule established by the City. In order to assure safety of citizens in the surrounding community, access roads must never be blocked. No relocation, alteration, or moving of structures will be permitted without prior approval.

Traffic Control: For filming that will impair traffic flow local law enforcement personnel must be used. The following are possible mitigation measure and/or general requirements:

- Applicant shall furnish and install advance warning signs and any other traffic control devices in conformance with the *California Manual on Uniform Traffic Control Devices 2012*. All appropriate precautions must be taken.
- A street closure or lane closure is not permitted on any street unless noted on your permit and approved by the City.
- No major intersections may be blocked during peak rush hours, which are from 6:30 A.M. to 8:30 A.M. and from 4:00 P.M. to 7:00 P.M., unless approved by Public Works Department.
- The stopping of traffic is not permitted on any street for filming at any time unless approved by the City and unless noted on film permit.
- Proposed filming will not unduly impede, obstruct or interfere with the operation of emergency vehicles or equipment in or through the permitted area.
- Traffic shall not be detoured across a double line without prior approval of the appropriate department representative.
- Unless authorized by the City, the camera cars must be driven in the direction of traffic and must observe all traffic laws.
- Any emergency roadwork or construction by City or county crews and/or private contractors, under permit or contract to appropriate department, shall have priority over filming activities.

Clean Up Measures: Film operations are to be conducted in an orderly fashion with continuous attention to the storage of equipment not in use and the cleanup of trash and debris. The area used shall be cleaned or trash and debris upon completion of shooting at the scene and restored to the original condition before leaving the site.
